**MISCELLANEOUS FEES:**

Late Fees -- payments received after due date: **\$15 minimum or 10% of the TOTAL** outstanding balance of the account at each month end for a period of four months of delinquency, at which time a lien is filed on the property. Thereafter a late fee of 2% will be charged on the outstanding balance at the end of each monthly billing period. If after four months, the account balance exceeds the lien amount or if a reasonable payment plan is not agreed to by the District Manager, the water meter will be shut off (NOTE: Monthly charges based on the rate schedule will continue as long as a water meter is connected to the property).

NSF Checks:	...	...	...	...	...	...	...	...	...	<b>\$75.00</b>
Applicable Sales, Privileged, and Use Taxes:										<b>Added to monthly invoice</b>
Lien Filings / Lien Releases	...	...	...	...	...	...	...	...	...	<b>\$75.00</b>

Assessments: Upon special needs in excess of reasonably required financial reserves as periodically established by the Board of Directors

System Expansion: All land parcels or new lots not on approved Gila County subdivision plats are subject to the District's Interconnection Process (or other system expansion policies), as periodically adopted by the Board of Directors

\*Water for non-residential uses (road construction, soil compaction, dust control, etc.) and for assistance of other water short customers or communities may be made available by the Board of Directors at negotiated bulk prices, but may be restricted depending on drought and aquifer conditions.
